Re: Sample Contractor, Inc.

Dear Sir or Madam:

I am pleased to write this reference letter on behalf of our good client Sample Contractor, Inc. Sample Contractor, Inc. has maintained checking and savings accounts with Bank of Anywhere since 1988. Average deposit balances for the past six months have been \$54,000 (checking) and \$157,000 (savings). Current balances are \$36,000 (checking) and \$175,000 (savings). There have never been any checks returned due to insufficient funds.

Bank of Anywhere provides Sample Contractor, Inc. with a \$500,000 operating line of credit. The line renews September 1, 2008 and is secured by an UCC filing on accounts receivable and other corporate assets. High usage during the past six months has been \$75,000 and average usage has been \$5,000. Currently \$100,000 is owed and \$400,000 available on the line.

Bank of Anywhere has also provided a variety of other loans over the years. All have been handled as agreed.

Sample Contractor, Inc. is an excellent long term customer of the Bank of Anywhere. I believe them to be well qualified to meet their normal financial obligations. Please feel free to contact me at (206)555-5555 if you require additional information.

Sincerely,

John Q. Public
Vice President

1. Include contractor's original estimated total cost plus cost of all change orders and extra work orders approved to date.
2. Do not include "claims" or disputed items." If desired, attach an explanation.

As your surety, we are as interested as you in accurate progress reports on your construction work. This form is intended to help present such a report.

As a guide, the following definitions are given so that the data presented will be more meaningful.

CONTRACT PRICE and CONTRACTOR'S ESTIMATED COST AT TIME OF BID should include **approved change** orders only and, in original estimated costs, the costs applicable thereto. Exclude claims and disputed items. If desired, an explanation of these items may be attached.

If contracts are on a unit price basis, and the estimated number of units approved has increased or decreased since bid date, adjust the original contract price and costs accordingly, using the original price and cost per unit as a base, and enter these amounts unless the change in unit quantity had contractually operated to change the unit price.

All projects should be listed: Bonded, non-bonded, lump sum and cost plus.

COSTS should be entered consistent with financial statement (Profit and Loss Report) allocation, excluding general and administrative (specifically unallocated) overhead.

BILLED TO DATE and COSTS TO DATE should be entered as of the same date or, when this schedule is provided in conjunction with a financial statement, consistent with their treatment in the financial report.

ESTIMATED COSTS TO COMPLETE should be a revised figure reflecting developments which have occurred subsequent to bid date causing a change in total cost (or cost per unit), if any, unit merely a subtraction exercise. After approximately 50% completion, it is imperative that a re-evaluation of costs be made. In the early stages of a project, a re-evaluation of costs may be difficult and perhaps impractical.
